Montclair Area to Receive Street Repairs

The following items came before the San Bernardino County Board of Supervisors during their April 9th meeting:

- Approval was given for a number of cooperative agreements between San Bernardino County and the City of Montclair for the following road improvement projects:
 - Repair of Ada Avenue from Mission Boulevard north to State Street. This portion of Ada Avenue requires repair due to deterioration of the existing pavement.
 - Overlay of Grand Avenue and Phillips Boulevard. Grand Avenue will be overlaid from East End Avenue east to Ramona Avenue. Phillips Boulevard will be overlaid from Roswell Avenue east to Yorba Avenue.
 - Rehabilitation of Mission Boulevard from the Los Angeles County Line east to Pipeline Avenue, and East End Avenue from Phillips Boulevard north to Grand Avenue.

“I am pleased to see San Bernardino County and the City of Montclair working together to make various improvements to these roads, which are seriously in need of repair,” said Supervisor Fred Aguiar.

- At the request of Supervisor Fred Aguiar, John L. Sommers, Jr. was appointed to represent the Fourth Supervisorial District on the county’s Substance Abuse Advisory Board. Mr. Sommers is a resident of Chino and will be serving a four-year term that will expire in January of 2006.
